

CROCHET HAMMER

Pattern by Kreaklub

Materials

- Cotton Yarn 8/4
 - Black and gray (less than 50 grams of each color)
- Stuffing
- Crochet hook 3 mm (US size D)
- Yarn needle
- 2 pipe cleaners for stability in the shaft
- Rattle/musicbox, preferable 30 mm, or smaller. Se photo on page 3.

Abbreviations

mr = magic ring/magic circle

st = stitch

sc = single crochet

ch = chain

sl st = slip stitch

inc = increase

dec = decrease

** = repeat instructions x times – or round out

() = the number in parentheses indicates the number of stitches at the end of the round

Abilities

Through the pattern you will have to learn the following techniques:

[Magic ring](#), [single crochet](#), [back loops only](#), [color change](#), [in-](#) and [decrease](#).

These techniques are basic to crochet, so if you don't know them, we recommend you click on the link and watch the how-to-video's.

Head of the hammer: *Gray*

- 1: sc 6 in magic ring (6)
 - 2: *inc* x 6 (12)
 - 3: *sc 1, inc* x 6 (18)
 - 4: *sc 2, inc* x 6 (24)
 - 5: *sc 3, inc* x 6 (30)
 - 6: sc 30 – in the back loop only (30)
 - 7-10: sc 30 (30)
 - 11: sc 30 - in the back loop only (30)
- (Insert rattle)

Picture of round 10

12: *sc 3, dec* x 6 (24)

13: sc 24 (24)

14: *sc 2, dec* x 6 (18)

15-16: sc 18 (18)

17: *sc 2, inc* x 6 (24)

18: *sc 3, inc* x 6 (30)

19-28: sc 30 (30)

29: *sc 3, dec* x 6 (24).

Stuff the hammerhead firmly.

The first claw:

30: sc 12, push it flat and make a single crochet in the first stitch of the round. (12)

31-39: sc 12 (12)

40: *dec, sc 4* x 2 (10)

41-42: sc 10 (10)

43: Stuff the first claw firmly. Push it flat and sew it together. Cut the yarn and weave it in.

The second claw:

Start in round 30, where you left the 12 stitches unworked, when you started the first claw. During the following rounds you will have to continually stuff the claw.

1-9: sc 12 (12)

11: *dec, sc 4* x 2 (10)

Keep stuffing while crocheting along

12-13: sc 10 (10)

14: Stuff the first claw firmly. Push it flat and sew it together. Cut the yarn and weave it in.

If needed sew the small hole between the claws.

Shaft: **Black**

If you wish to make the shaft with pipe cleaners, we would advise you to stuff during the rounds. If you don't use pipe cleaners it is much easier to stuff during the rounds. Consider your tension when you crochet the shaft. If it's not tight you will see the stuffing through the work, if needed you could choose a smaller hook.

1: sc 6 in magic ring (6)

2: *inc* x 6 (12)

3: *sc 1, inc* x 6 (18)

4-19: sc 18 (18)

20: dec, sc 16 (17)

21-29: sc 17 (17)

30: dec, sc 15 (16)

31-39: sc 16 (16)

40: dec, sc 14 (15)

41-44: sc 15 (15)

Change color to gray

45: sc 15 – in the back loop only (15)

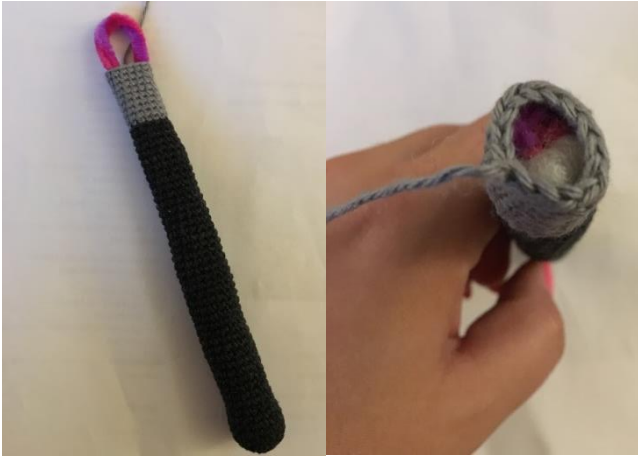

46-55: sc 15 (15)

Cut the yarn, but leave enough yarn to sew the shaft to the head later

Bend the two pipe cleaners in half and join the ends together. Do this to prevent the sharp edges from working through the yarn after some time.

Put the pipe cleaners in the shaft and fill the rest of the shaft with stuffing. This is a difficult task, try a pen or maybe a big knitting needle. The shaft should be stuffed firmly.

Sew the shaft to the head of the hammer.

The hammer is now done; we hope you enjoyed the pattern.
